

IST5R | ELYTRON COLLECTION

Round top, linear T5 fluorescent fixture with lens and decorative end caps

Project: _____

Type: _____

FEATURES

The Elytron Collection features clean, linear fixture bodies and simple decorative caps to conceal the darkness associated with the ends of T5 lamps and sockets. Though kept to a minimum, the profile is still large enough to accept a wide variety of popular ballasts. Multiple lens and three mounting options further broaden the versatility of this sleek luminaire.

SPECIFICATIONS

Fully assembled housing is formed and welded, 20 ga. steel, chemically treated to resist corrosion and enhance paint adhesion

Model variations offered for surface, cable suspended and pendant mount applications

Available in standard white, black, silver, platinum, bronze and primer powder coat, applied post production (consult factory for custom finishes)

Lens options include linear prismatic and frosted acrylic lens or perforated steel cover

Available for T5 14W, 21W, 28W, 35W and high output 24W, 39W, 54W, 80W linear fluorescent lamps in single, some tandem lengths and continuous runs

Standard ballast is specification grade 120V-277V program start (consult factory for other voltage options)

Dimming, emergency battery backup and specialized ballast factor options available (refer to supplemental ballast details sheet for availability)

Knock-outs on back of surface mount model accept standard electrical fittings by others (consult factory for other locations)

Rotational locking lamp holders

UL and C-UL listed for dry and damp locations

IBEW manufactured and labeled

Made in the U.S.A.
