#### Type: \_

### **FEATURES**

A member of the Wake series, the BSS440 is a recessed, extruded aluminum linear LED luminaire with 4" wide aperture. Single and continuous run fixtures are available for installation in common grid ceilings or in hard walls and ceilings with flange and trimless variants. Flush or  $1^{\prime\prime}$  drop frosted acrylic lens options are offered for all mounting configurations.

### **SPECIFICATIONS**

Fixture housing and trim elements made of extruded aluminum and 16 ga. sheet aluminum and steel parts

Model options available for typical 9/16" and 15/16" grid ceilings or hard walls/ceilings with flange and trimless mounting (wall installation requires accessory mounting brackets)

Basic continuous run fixtures provided with 18 ga. wiring harness for 6 Amp maximum load (consult factory for runs requiring multiple circuits, sensor integration, etc.)

Frosted acrylic lens options include a flush fit or 1" drop style with lensed ends

Standard integral 120-277V driver offered with 0-10V dimming or non-dim (other dimming driver options available)

Integral 120-277V emergency battery backup available for 44"-88" fixtures (supplied with remote test switch/indicator plate assembly)

Standard light outputs range from 465 – 905 lumens per foot

LEDs available in 2700K, 3000K, 3500K, and 4000K, within a 3 step MacAdam ellipse, all with 90+ CRI typical

Life: 50,000 hours L<sub>70</sub>

Chicago plenum rated option available

Nominal weight is 3.4 lbs. per foot

Limited five year warranty

ted for dry and damp locations

Note: remote battery backup available for shorter fixture lengths - ordered separately, consult factory for details

4" wide aperture recessed LED luminaire

INTEGRATED SENSORS

Note: Overall fixture length remains the same as models without a sensor. Total illuminated length is reduced by 5" nominal. For F1 flush lens option, sensors are mounted to flush filler piece. For F2 drop lens option, sensors are mounted to 1" H sheet formed cover. Consult factory for custom light output setting.
