# Swell™

DESIGNED FOR A HEALTHIER LIFESTYLE

## MODEL VARIATIONS

A growing number of Bartco Lighting models are incorporating BIOS technology, including popular surface, suspended and recessed form factors

## EMBEDDED WITH BIOS SKYBLUE™

Uses a specific “blue sky” light wavelength that communicates directly with human biology to regulate circadian rhythms, encouraging healthier sleep patterns

## STATIC AND DYNAMIC COLOR OPTIONS

BIOS SkyBlue circadian solutions are available in static color temperatures, as well as Dynamic Bio-Dimming and two-channel tunable white versions

## WELL BUILDING STANDARD™

BIOS SkyBlue lighting solutions contribute toward satisfying Circadian Lighting Design Feature 54 under the WELL Building Standard v1 and Feature L03 under the WELL Building Standard v2
